Five9 Enhances Successful Referral Program by Tripling Commissions for Members

Five9 Boosts Incentives for Referral Program Members, Now Offering 15 Percent Commissions for Two Years

SAN RAMON, Calif., June 18, 2014 (GLOBE NEWSWIRE) -- Due to the success of its referral program, [Five9](#) (Nasdaq:FIVN), a leading provider of cloud contact center software, is increasing the potential benefit for members by 300 percent. The [Five9 Referral Program](#) enables contact center professionals to refer Five9 to colleagues or friends and earn a 15 percent commission for up to two years.

TWEET THIS: .@Five9 increases referral incentive by 300%. Earn 15% commission for up to 2 years www.Five9.com/referrals

Five9 offers a robust cloud-based solution for outbound marketing and sales or inbound customer care that can improve customer engagement across more channels while increasing agent efficiency and productivity within their contact center. By referring Five9 to qualified contacts and companies that result in the sale of Five9 software, program members now receive 15 percent commission for up to two years.

"The Five9 Referral Program is a great way for contact center professionals to earn sales commissions to supplement or even replace their current income. Since we launched the program in 2008, thousands of members have realized the benefits. Because of the traction we've seen, Five9 is investing even more in the program and tripling the potential benefits for members."

- *Walt Rossi, vice president of business development at Five9*
